Wayside Exhibit Proposal
Apostle Islands National Lakeshore

Location Map for Proposed Wayside Exhibits

00 Indicates location of proposed wayside exhibit

SUBJECT

Park Island orientation

PURPOSE

To identify the islands as being a part of the national lakeshore. To describe the natural, cultural, and wilderness values that the islands contain and park managers strive to preserve. To encourage respect for fragile resources and awareness of park safety concerns.

POSSIBLE GRAPHICS

MAPS

2D map from NPS brochure

COMMENTS

This exhibit will be part of a three-sided cluster displayed in a triangle configuration. This panel will be secondary to Exhibit 40. A pamphlet dispenser will be located with the cluster to dispense the Sand Island site bulletin.

The exhibit will give emphasis to park interpretive theme 3, 4, or 7.

South

LOCATION

Sand Island
At the island trailhead in front of group campsite B, near the existing bulletin board

VIEW

The campground
